4/27/89 Letter From V. Stella to John Eckert Subject "Notification of the NRC of Employees' Potential Safety Issues"

SUMMARY

On 7/31/89 Mr. Olsen told me that John Eckert of B&W will submit a written corporate response to response subject letter today. The letter indicates that there are no restrictions at B&W that prohibit employees to provide information about safety issues to NRC. The letter is response to both NNFD (70-27) and NNFD-RL (70-824).
