License No.: 24-13299-01
Docket No.: 030-02380

Gentlemen:

It has come to our attention that Steven W. Clark, Ph.D. is no longer serving as your radiation safety officer (RSO).

As discussed with Dr. Patrick on June 20, 1989, you must amend your license to reflect the change in RSO. It is our understanding from this conversation that Marcia A. Liebel, Ph.D. will serve as your new RSO. Upon review of your license documentation, we found that Dr. Liebel was serving as the alternate RSO.

Please send your amendment request to us within 20 days of the date of this letter. If you have any questions concerning the above, please call me at (312) 790-5625.

Sincerely,

G. M. McCann, Chief
