Re: License Application for N. Gupta, M.D. P.C.

Dear Mr. Mullauer,

Enclosed is the additional information that was requested per our telephone conversation on May 20, 1998.

1. N. Gupta, M.D. P.C. will use a NVLAP accredited dosimetry processor.
2. Here is the sample memorandum for notification of personnel for deliveries that are made before normal working hours:

Sample Memorandum

MEMO TO: Radiopharmaceutical Carrier
FROM: Radiation Safety Officer
SUBJECT: Delivery of Packages Containing Radioactive Material

You have been given a key to the Nuclear Medicine facility and Radiopharmacy for delivery of packages. When delivering packages containing radioactivity, packages should be taken directly to the Nuclear Medicine Radiopharmacy. The Department door and Radiopharmacy door should be unlocked, the package placed in the designated receipt area and the doors immediately relocked.

If the package appears to be damaged, immediately contact one of the individuals identified below. Remain at the facility until it can be determined that neither you, the driver, nor the delivery vehicle is contaminated.

If you have any questions concerning this memorandum, please call our Radiation Safety Officer, Jack Juni, M.D. at _____.
