Gentlemen:

Thank you for your submittal of Revision 55 of your Quality Assurance Topical Report CE-i-A, dated April 28, 1989. We have reviewed the changes contained in this revision. In addition, we discussed the changes associated with your current program and policies regarding the auditing program, overview audits, management assessment coverage, and program adequacy reporting to corporate management with Messrs. J. Bitel, J. Brown, and G. Pliml of your staff at your offices on May 12, 1989. Based on our review and discussions with your staff, we find that the program continues to satisfy the requirements of 10 CFR Part 50, Appendix B, and is therefore acceptable.

We appreciate your timely submittal of the information required by 10 CFR 50.54(a). Please contact Mr. Monte Phillips of my staff at 312-790-5530 with any questions you have regarding this matter.

Sincerely,

  
Geoffrey C. Wright, Chief
