NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

July 27, 1989

MEMORANDUM FOR: Thomas E. Murley, Director
Office of Nuclear Reactor Regulation

FROM: Edward L. Jordan, Director
Office for Analysis and Evaluation
of Operational Data

SUBJECT: EMERGENCY RESPONSE DATA SYSTEM (ERDS) GENERIC LETTER

Enclosure 1 is a proposed generic letter requesting the voluntary participation of licensees in the Emergency Response Data System Program. This generic letter has been reviewed by and received the appropriate concurrences of AEOD, NRR, and OGC. It has also been approved by CRGR. Therefore, I request that the proposed generic letter be sent to all licensees of power reactors, except for those who have already decided to participate and the licensees for Ft. St. Vrain, (LaCrosse, Big Rock Point, ~~and Rancho Seco~~) for which ERDS implementation is not appropriate. Enclosure 2 is a proposed letter to forward the generic letter to those licensees as information only.

Please have your staff contact Gary Zech (x24193) or John Jolicoeur (x24155) for any other questions you may have.
