

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555  
March 31, 1989

Docket Nos. 50-338  
and 50-339

Mr. W. R. Cartwright  
Vice President - Nuclear  
Virginia Electric and Power Company  
5000 Dominion Blvd.  
Glen Allen, Virginia 23060

Dear Mr. Cartwright:

SUBJECT: NORTH ANNA UNITS 1 AND 2 (NA-1&2) - TRANSMITTAL OF NOTICE OF  
WITHDRAWAL OF APPLICATIONS FOR AMENDMENTS (TAC NOS. 61141, 61142,  
64680, 64681 AND 56348)

The purpose of this letter is to transmit to you the enclosed Notice of Withdrawal of Applications for Amendments to Facility Operating Licenses. By letter dated March 17, 1989, our staff, with VEPCO's concurrence, closed out four amendment requests submitted by VEPCO to the NRC over the past several years. Of the four amendment requests, three had previously been noticed in the Federal Register under the Biweekly Notices of Applications and Amendments to Operating Licenses Involving No Significant Hazards Considerations. These three requests are:

- (1) NA-1&2-Amend License by Adding Requirement for Implementation of Integrated Implementation Schedule, VEPCO Serial No. 85-387, Tac Nos. 61141 and 61142;
- (2) NA-1&2-Reactor Trip System Functional Testing, VEPCO Serial No. 86-655, NRC Tac Nos. 64680 and 64681; and
- (3) NA-2-Revise Technical Specifications to Indicate Valves Tested Only for Event V, Serial No. 160, Tac No. 54834 (please note that this Tac No. was incorrectly identified as 56348 in the March 17, 1989 letter).

The fourth request, to revise Technical Specification 3.0.5 to take action within 2 hours (VEPCO Serial No. 177, NRC Tac Nos. 56357 and 56358), was also closed out in the March 17, 1989 letter. However, since this request was never published in the Federal Register, it is not addressed in the enclosed Notice of Withdrawal.

DFD/  
1/1

Mr. W. R. Cartwright

- 2 -

March 31, 1989

The Commission has filed the enclosed Notice of Withdrawal of Applications for Amendments to Facility Operating Licenses with the Office of the Federal Register for publication.

Sincerely,

Original signed by

Leon B. Engle, Project Manager  
Project Directorate II-2  
Division of Reactor Projects-I/II  
Office of Nuclear Reactor Regulation

Enclosure:  
As stated
