Russellville, Arkansas 72801-0967

SUBJECT: 1998 RADIOLOGICAL EMERGENCY PREPAREDNESS EXERCISE OBJECTIVES

Dear Mr. Hutchinson:

We have reviewed your letter dated May 5, 1998, and the enclosed objectives for the Arkansas Nuclear One radiological emergency preparedness exercise scheduled for August 19, 1998.

Based on our review, we determined that the exercise objectives are appropriate to meet emergency plan requirements. Minor questions were resolved during a June 3, 1998, telephone discussion with Mr. Randy Gresham of your staff. Mr. Gresham described the activities that would be simulated and stated that a list of simulated actions would be included in the exercise scenario package.

We contacted the Federal Emergency Management Agency, Region VI, during our review. Ms. Wiletta Malone had no comments for us to relay to you.

Should you have any questions concerning this letter, please contact Ms. Gail Good of my staff at (817) 860-8215.

Sincerely,

Blaine Murray
