Dear Mr. Stewart:

Please find enclosed a copy of Southwest Research and Information Center's comments on the SOHIO Western Mining Co. and Reserve Oil and Minerals Radioactive Materials License Renewal Application and Groundwater Discharge Program.

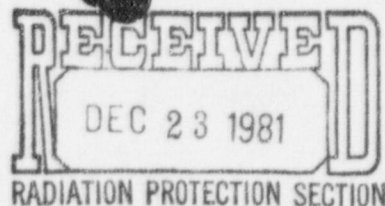

We have requested a public hearing on the License Renewal Application and Discharge Plan and encourage other interested individuals and groups to contact the New Mexico Environmental Improvement Division and express interest in the relicensing of the SOHIO L-Bar uranium project about 3 miles east of Seboyeta, New Mexico.

If you have any questions or would like further information, please feel free to call or write at the address and phone below.

Sincerely,

Chris Shuey
