Dear Mr. Madden:

In accordance with your request of September 30, 1983, Mr. James H. Olsen, Jr., is designated primary Radiation Safety Officer (RSO) for the L-Bar Uranium Mill during the non-operating period, with yourself as the alternate RSO.

This appointment is valid only during the shut-down period. When the decision is made to reactivate the mill, the RSO must meet the qualifications described in your Environmental Report of September, 1980, Table 6.6-1, prior to mill start-up.

Sincerely,

CK Crossman
