SUBJECT: INSPECTION NO. 040-07344/98-001

Dear Mr. Andrews:

On February 9 and 19, 1998, Steve W. Shaffer, Heather M. Astwood and Richard Ladun of this office conducted a safety inspection, at 100 Campus Drive and at 230 Mall Boulevard, King of Prussia, Pennsylvania, of activities authorized by the above listed NRC license. The inspection was an examination of your licensed activities as they relate to radiation safety and to compliance with the Commission's regulations and the license conditions. The inspection consisted of observations by the inspectors, interviews with personnel, and a selected examination of representative records.

The findings of the inspection were discussed with you and other members of your staff at the conclusion of the inspection. During this discussion, it was agreed upon that you would submit an amendment request to modify your license and radiation protection program to more accurately represent your current program.

Within the scope of this inspection, no violations were identified.

In accordance with Section 2.790 of the NRC's "Rules and Practices," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. No reply to this letter is required.

Your cooperation with us is appreciated.

Sincerely,

Heather M. Astwood, Acting Chief
