U.S. NUCLEAR REGULATORY COMMISSION
Washington, DC 20555

SUBJECT: FREEDOM OF INFORMATION ACT REQUEST

Dear Mr. Powell:

Pursuant to the Freedom of Information Act, 5 USC Paragraph 552, and to the Nuclear Regulatory Commission's regulations, I hereby request a copy of a September 19, 1997 letter from Brian Shearon to the ACRS re differing professional opinion on steam generator tube integrity.

I would appreciate your prompt response within ten working days of the receipt of this request, as provided by the Code and NRC's policies. I agree to pay such fees as required under 10CFR Paragraph 9.33 et seq. without further authorization, however, please call if the fees exceed \$50.00. In addition, please send the response to me only, rather than to the NRC's Public Document Room. Please call if you have questions. Thank you for your services.

Sincerely,

Ophelia G. Williams
