Change in Scheduled Completion Date for Commitment
Regarding Reply to Notice of Violation EA 97-255**

By letter dated August 1, 1997, Duquesne Light Company (DLC) provided a reply to Notice of Violation EA 97-255. In this letter, DLC committed to perform a self-assessment of the technical specification surveillance program by June 30, 1998. Since the time of the response, DLC has placed a high priority on strengthening the technical specification surveillance program, including allocating the necessary resources to support this goal. However, the resultant program improvements have not been implemented for a sufficient time period to facilitate an effective self-assessment at this time. Therefore, the completion date for the self-assessment is being extended to September 30, 1998.

If there are any questions concerning this matter, please contact Mr. S. H. Hobbs at (412) 393-5203.

Sincerely,

Sushil C. Jain
