The Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), and the Fusion Industry Association (FIA) as co-facilitators will host a Virtual Public Forum on a regulatory framework for Fusion on October 6, 2020, via ZOOM. Please join us for an open discussion about introducing different fusion energy systems to the U.S. and Canadian regulatory space. Here are some of the speakers that plan to join the discussion:

Canada Nuclear Safety Commission
Commonwealth Fusion Systems
General Fusion
Nuclear Safety Division Head, ITER Org.
... and many more

U.S. DEPARTMENT OF
ENERGY

Office of
Science

U.S. NRC
United States Nuclear Regulatory Commission
Protecting People and the Environment
