Subject: [External_Sender] Addendum #9 to Hormesis Petition of 2/9/15
Date: Sunday, September 20, 2020 6:19:42 PM

September 20, 2020

Dear Ms. Vietti-Cook:

Below please find the url for addendum #9 to my hormesis petition of 2/9/15. This addendum is an excellent summary article about the false LNT assumption.

Thank you for your attention and consideration.

Sincerely, Carol S. Marcus, Ph.D., M.D.
