HEADQUARTERS UNITED STATES AIR FORCE  
WASHINGTON DC

MEMORANDUM FOR US NUCLEAR REGULATORY COMMISSION, REGION IV  
ATTN: Ms. Bolger  
1600 East Lamar Boulevard  
Arlington, Texas 76011-4511

FROM: AFMRA/SG3PB

Falls Church, VA 22042

SUBJECT: Administrative Amendment Request for Master Materials License (MML) 42-23539-01AF

The Air Force stood down the Air Force Medical Support Agency in 2019. The Radioisotope Committee Secretariat now falls under a new organization, the Air Force Medical Readiness Agency. Therefore our current "Licensee" section is not accurate and I request the following amendment to our license.

For "Licensee" section, request changing wording to:

1. The Department of the Air Force  
Air Force Medical Readiness Agency (AFMRA)
2. ATTN: AFMRA/SG3PB (Radiation Health)  
7700 Arlington Blvd, STE 5151  
Falls Church, VA 22042-5151

Should you have any questions, please contact me at (703) 681-6988 or via email at alan.c.hale.mil@mail.mil.

Lt Col Hale,

After speaking with Roberto Torres, the license reviewer, he informed me that since there is a slight change to the licensee name (Support vs Readiness) it will require an amendment request. The easiest method to submit the amendment request would be to resend the email below (I already removed the rest of the email string and you may remove this portion and adjust the Subject line as needed) but add an electronic signature, if your email supports that and I can provide instructions, if needed. Otherwise, a signed and dated letter as a PDF attachment in an email will also work. Please include Roberto Torres in your response. Thank you.

Allyce
