RE: Past due General License Device Annual Registration – dated 4-2-2020

Dear Mr. Lowman:

Our facility received your letter dated April 2, 2020 regarding General License Device Annual Registration not being received in your office.

I sent an email to you on 4-7-2020 with attachments showing the package was filled out on 12-20-2019 and discovered had not been mailed in February 2020. I sent a copy of the package, tracking information and screen shot of the delivery on 2-27-2020 at 9:19am signed by S. Sissoko.

As I have not heard back from you; to assure that nothing further was needed, I emailed you 5-4-2020 which shows that it was read on 5-5-2020. As I have not received a response, I am including a hard copy of the original package sent in on 2-27-20 and the package that you sent on 4-2-20 along with all the support documentation.

Please let me know if there is anything further.

Sincerely

A handwritten signature in cursive script that reads "Denise Gordon".

Hi there,

I sent a signed copy to the registration package – there were no changes – to US Nuclear Regulatory Commission – US Government Office DC 20555 on 2-27-2020. I had signed the package on 12-20-2019 and in going through some folders realized it did not get mailed. It was overnighted via Fed Ex – Tracking #777872504710 (see attached). I am also attaching a copy of the package sent.

Please let me know if this needs to be re-sent.

Thank you and Stay safe,

Denise Gordon, ASP
