Subject: [External_Sender] Freedom of Information Act Request for ML16236A019
Date: Saturday, September 10, 2016 10:11:46 PM

Please accept this email as a request for records under the Freedom of Information Act. Per the FOIA I would like a copy of NRC ADAMS record ML16236A019. It is my understanding that this record is a video from the St. Lucie reactor plant showing flooding in the Reactor Auxiliary Building about one year AFTER Florida Power & Light completed their post-Fukushima flooding walkdowns and reported that all deficiencies had been corrected.
