Subject: [External_Sender] Docket NRC 2020-0065 Transfer of VLL (Radioactive) Waste to Exempt Persons for Disposal

Dear U.S. Nuclear Regulatory Commission (VLLW),

Dear NRC Commissioners and Staff:

Hello esteemed ladies and gentlemen, Senators. I am strongly opposed to the NRC ever dumping any type of radioactive trash in places without radioactive licenses (Docket NRC 2020-0065). Give the polluters an inch and they will take a mile.

Reject the VLLW proposal and all others that would release nuclear waste from radioactive controls. Keep nuclear waste under lock and key and out of solid and hazardous waste sites, whether landfills, incinerators, or recycling.

Sincerely, Paul Pino

Sincerely,
Paul Pino
