Dear Ms. Banovac:

In reference [1], Holtec responded to RAIs from the NRC staff on the application for renewal of HI-STORM 100 Certificate of Compliance No. 1014. Subsequently, it was determined that an additional supporting report would be a useful reference to the NRC staff.

If you have any questions, please contact me at 856-797-0900 ext. 3951.

Sincerely,
