Subject: 2021 Surety Submittal

Dear Director:

By letter dated September 28, 2020, Cameco Resources, Crow Butte Operation (CBO) submitted the 2021 annual surety estimate for review by NRC staff. In their preliminary review of this document, staff noted several errors in the cover letter that misdated the submittal. There were two errors on the first page of the original cover letter, and the header on the body of the cover letter displayed an incorrect date. The purpose of this transmittal is to replace the cover letter in the original submittal with the attached, corrected version. This should help avoid confusion when reviewing the 2021 Surety submittal.

If you have any questions or require any further information, please do not hesitate to call me at 1(308)665-2215 ext. 117.

Sincerely,
CAMECO RESOURCES
