**Subject:** [External\_Sender] NRC Event Notification Reports

Good morning,

Please have somebody present full information for Event Report 55000 for the days of November 17, 2020 and November 18, 2020.

Please have somebody present all the information for Event Report 55002 for the days of November 17, 2020 and November 20, 2020.

If this is not possible, please send me an explanation of why these omissions cannot be fixed by NRC-paid employees working from home on their computers.

Thank you,

Tom Gurdziel

Also, I still would like to know what happened in each case.
