R.E. Ginna Nuclear Power Plant
Renewed Facility Operating License No. DPR-18
NRC Docket No. 50-244

Subject: Submittal of Integrated Initial License Examination Materials

Dear Mr. Lew:

Enclosed are the examination materials, which R.E. Ginna is submitting in support of the initial license examination scheduled for the week of October 05, 2020, at Ginna Station.

This submittal includes the Senior Reactor Operator and Reactor Operator Written Examinations, Job Performance Measures, and Integrated Plant Operation Scenario Guides. Please forward ALL attachments to Joseph DeMarshall, Chief Examiner.

These examination materials have been developed in accordance with NUREG-1021, "Operator Licensing Examination Standards for Power Reactors", Revision 11. Please note that reference materials are attached to each individual examination question or item.

Some minor modifications have been made to the Integrated Examination Outline with regards to the operational scenarios in order to improve balance and content. These changes improve examination quality and are in compliance with NUREG-1021, "Operator Licensing Examination Standards for Power Reactors", Revision 11.

Some modifications or adjustments to the examination material may be required due to procedural changes.

In accordance with NUREG-1021, Revision 11, Section ES-201, "Initial Operator Licensing Examination Process", please ensure that these materials are withheld from public disclosure for 2 years after the examinations are complete.

The Attachments to this letter contain NRC Examination Material which should be withheld from public disclosure for 2 years following the Examination per 10 CFR 2.390, 55.49, and NUREG-1021. Upon separation, this cover letter is decontrolled.

Should you have any questions concerning this letter, please contact George Wrobel, Manager Site Regulatory Assurance, at (585) 315-0552. For questions concerning examination materials, please contact Regulatory Exam Author, David Eckert, at 315-791-5523.

Respectfully,

A handwritten signature in black ink, appearing to read "Paul Swift", with a long horizontal line extending to the left from the start of the signature.

Paul Swift
