Dominick,

Please see the attached email string. David Adams would like us to inform you of the proposed AML design project at the ANC Spoils. Please see the attached transmittal and maps that were sent to David. If you have any questions, or would like to discuss the project further, please feel free to contact me.

Thanks, Bobby

Hello Bobby,

Thank you for the letter and maps of the proposed reclamation work. LQD has no comments on this project at this time.

However, I recommend that the NRC Senior Project Manager for the ANC Gas Hills tailings site, which sits adjacent to the work be completed, be informed of the proposed work as NRC is responsible for this site.

His contact information is as follows:
