To Whom It May Concern:

It recently came to my attention that our three year decommissioning funding plan update is due to the NRC on 12/4/2020. Due to a recent change in RSO and the additional demands placed on staff due to COVID 19, I respectfully request a 60 day extension to that due date.

Please accept my request for a 60 day extension to submit an updated decommissioning funding plan. I will also ensure appropriate processes are in place to ensure the next update is completed well in advance of the due date.

Sincerely,

Kevin Higgins, P.E.
