Subject: Request to name Tracy R. Price, M.D. as an AU for 10 CFR 35.396 material use, NRC license no. 13-35249-01, Urology of Indiana, LLC
Date: Monday, November 02, 2020 1:59:00 PM

Good afternoon Mr. Stoneberg,

I have reviewed the licensee's request dated 10/16/2020 to name Dr. Price as an Authorized User for 10 CFR 35.396 (Ra-223) material use.

Please provide the following information:

1. A copy of Dr. Price's original American Board of Radiology (ABR) certificate.

and
2. In accordance with 10 CFR 35.59, please provide Dr. Price's recent continuing education:
 - a. Classroom training in 10 CFR 35.396 (b)(1) (radiation physics and instrumentation, radiation protection, mathematics/chemistry of byproduct material for medical use, radiation biology), and
 - b. Experience as described in 10 CFR 35.396 (b)(2) (in ordering, receiving and unpacking radioactive material, performing quality control procedures on instruments used to determine the activity of dosages and performing checks for proper operation of survey meters, calculating, measuring, and safely preparing patient dosages, using administrative controls to prevent a medical event, using procedures to contain spilled byproduct material safely and using proper decontamination procedures).

Please provide the continuing education training and experience received recently (2019/2020) and provide location of training and date/s. The classroom training may include any refresher training/online courses taken, etc. Experience may include work under supervision of an AU (NRC license no. 13-02752-03). Please provide the continuing education information in a signed and dated letter (an Authorized User or an RSO may sign the letter).

Please acknowledge receipt of my email. Please respond by November 30, 2020.

Thank you

Magdalena R. Gryglak
