Duane,

Here is a note that I just got from my procurement administrator. Attached is the revised table.

Thanks, Doug

“Hi Doug,

Just wanted to let you know that all (but one) contracts in the attached file have been extended till 12/31/2025. Only Wisconsin (125143) has a POP till 12/31/2022, which is on my list to extend in a couple of years.

Thank You,
Richa”

Hi Doug:
I was just checking to see if the contract amendments have been processed?
We have four license renewals that are in various stages of completion that will require updated information.
Thanks,
Duane

Hi Doug and Kenny:

The documentation we have on file shows the University Fuels Support Contracts will expire on December 31, 2020. I would greatly appreciate a copy of the contract amendment to extend the contracts when it is automatically renewed. We like to keep a current version of the contract numbers and dates in our Agencywide Documents Access and Management System (ADAMS). Attached is a copy of the current table that I request.

Thank you for your help,

Duane
