TEUSA Letter: L201215

**Subject: Withdrawal of Fee Relief Request for IMSR® Postulated Initiating Events White Paper
Supporting CNSC/NRC Joint Review**

On November 23 2020, Terrestrial Energy USA (TEUSA) submitted to NRC letter L201123 which requested fee relief under 10 CFR 170.11 (a) (12) and (b) for review of the white paper "*IMSR® Postulated Initiating Events*" in support of CNSC/NRC joint review. TEUSA withdraws this request for fee relief. We thank the Nuclear Regulatory Commission for its consideration of this matter.

If you have any questions or need any additional information, please contact Robin Rickman by email at rickman@terrestrialusa.com or by phone at 646-687-8212 ext. 531.

Sincerely,

Simon Irish
