Re: Updated Nevada LSNARP Information

Dear Mr. Chazell:

I am writing for the State of Nevada (Nevada) to provide you with information which updates (due to retirements and departures) which was provided to your predecessor, Dr. Bates.

The first update is that of Nevada's Primary and Secondary LSN Points of Contact. Both Mr. Halstead and Ms. Lynch have retired. Nevada's new LSN POCs are Executive Director Fred C. Dilger and Administrator for Technical Programs Belinda Evenden. Their email addresses are fdilger@nuc.state.nv.us and bevenden@nuc.state.nv.us.

Secondly, by letter dated August 25, 2017, we provided the contact information (requested by Dr. Bates) of other interested parties for Nevada. That information has been updated and is listed in Attachment 1 to this letter.

Finally, I have succeeded Mr. Halstead as the Agency's Executive Director.

Thank you for your attention to this matter.

Respectfully,

Fred C. Dilger, Ph.D.
Executive Director
