**Date:** Monday, January 04, 2021 5:04:00 AM  
**Attachments:** [image001.gif](#)

---

Let's set a two-week date of COB Jan 14 to have the response in. If that is inadequate, I will need a formal request for extension.

Ty

**Subject:** [External\_Sender] Submission Timeline

Ty,

I will need two more weeks to finish incorporating responses to all of the RAIs into the application. Let's talk if that will cause problems or large shifts in the expected approval timeline.

Thanks and have a happy New Year.

Very Respectfully,  
Daniel (Dan) Mannis
