TRAINING: No special training is required for any documents issued with this Change Notice.

REMARKS: IMC 1120, "Preliminary Notifications," is a periodic update and has been revised to reflect changes in office organization. Edited for clarity throughout the IMC that PNs are used to provide any substantive updates if an associated EN is issued. Clarified language in Section 07 Criteria. Eliminated oral PNs as verbal notifications are covered by other processes. Provided a more recent example of a PN.

IP 81200.04, "Equipment, Performance, Testing, and Maintenance for Decommissioning Nuclear Power Reactors," has been revised to update references and add portion markings to comply with the Office of Chief Information Officer SUNSI requirements.

IP 81200.05, "Protective Strategy Evaluation and Performance Evaluation Program for Decommissioning Nuclear Power Reactors," is a periodic review and has been revised for minor editorial changes and to add portion markings.

IP 81200.06, "Protection of Safeguards Information for Decommissioning Nuclear Power Reactors," has been revised to include a change in the periodicity of the IP to "as needed. Completed a SUNSI review of the IP during the periodic update to decontrol the document. Made minor editorial and format corrections, updated references and consistent with the staff's SUNSI determination, SUNSI markings were removed.

IP 81200.14, "Review of Decommissioning Reactor Target Sets," has been revised to incorporate revised target set guidance and minor editorial corrections.

EDITORIAL REVISIONS FROM PREVIOUS CHANGE NOTICES (As Required):

DISTRIBUTION:
