Subject: NRC Initial License Post-Examination Information

In accordance with 10 CFR 55 Subpart E, "Written Examinations and Operating Test," and NUREG-1021, "Operating License Examination Standards for Power Reactors," Revision 11, Exelon Generation Company, LLC (EGC) has provided the initial license operator post-examination materials for the examination administered during the weeks of November 2 and November 9, 2020.

The following examination materials were hand-delivered to the NRC Region III Chief Examiner on Tuesday, December 1, 2020, as required by ES-501, "Initial Post-Examination Activities."

- Graded written examinations with each applicant's answer sheet
- Master examination with answer key
- All questions asked by the applicants and answers provided by the examination proctor during examination administration
- Post-examination comments by applicants
- Written examination seating chart
- Completed Form ES-403-1 "Written Examination Grading Quality Checklist"
- Results of written examination performance analysis and substantive comments
- Original Form ES-201-3 "Examination Security Agreement"

There are substantive comments with contended questions associated with this examination. EGC requests that information concerning the examination is withheld from public disclosure for two years in accordance with 10 CFR 2.390. Should any questions arise concerning this letter please contact Mr. Tory Macintyre, Operations Training Manager, at (815) 415-4003.

Respectfully,

John J. Washko
Site Vice President
