Re: USNRC Materials License No. 13-00951-03

Dear Sir/Madam:

I am writing to request the removal of Adytia R. Boddu, M.B.B.S. from our USNRC materials license No 13-00951-03 as he is no longer practicing medicine at this facility.

In addition, I am requesting that medical physicist Joseph R. Butts' credentials be updated from M.S. to Ph.D. as he recently was awarded a doctorate.

If you have any questions, please feel free to contact me at 765-747-4440.

Sincerely,

Alvis E. Foster, PhD
Radiation Safety Officer
