Mr. Sharawy,

My name is Betsy Ullrich. Your email to Scott Wilson was referred to me.

We can no longer re-open your license application, because it has been more than year since it was closed.

In addition, unless you are currently living a state under NRC jurisdiction (on the east coast, they are: Connecticut, Delaware, Washington DC, and West Virginia), before we would consider a new license application, we need to know that you already have a license from the State that you live and work in, listing where the portable gauge would be stored.

You may contact me by email, or you may reach me by telephone at 610-337-5040 if you have any questions.
