February 23, 2021, 10:00 AM to 05:00 PM
February 24, 2021, 10:00 AM to 05:00 PM
February 25, 2021, 10:00 AM to 01:00 PM

The time of the meeting is local to the jurisdiction where the meeting is being held.

Location: Webinar

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: Staff and contractors from the NRC, as well as participants from federal agencies, industry, and other domestic and international organizations involved in flood hazard assessment, flood risk assessment, and flood protection/mitigation research will provide information on recent results, current activities, and perspectives on future research directions. This four-day workshop will be entirely virtual and is open to the public at no charge. Workshop sessions are planned to run from 10am to 5pm (EST) each day. The registration deadline is January 25, 2021 for Non-US citizens and February 8, 2021 for US citizens.
