In the Matter of
CROW BUTTE RESOURCES, INC.
(License Renewal for the In Situ Leach Facility, Crawford, Nebraska)
Docket No. 40-8943; ASLBP No. 08-867-02-OLA-BD01

Dear Administrative Judges,

On January 6, 2021, the NRC Staff received an email from the Oglala Sioux Tribe's Director of Natural Resources indicating that the meeting scheduled for January 7 would have to be cancelled due to a need for further discussions within the Tribe. The Staff and the Tribe, with assistance of counsel, are working to reschedule the meeting within the next few weeks.

Also, in accordance with the Board's January 5 Order,¹ unless otherwise directed by the Board, the Staff will plan to reach out to all of the parties regarding potential dates for a follow-up teleconference to be held no later than February 28, 2021. The Staff will notify the Board of those dates no later than February 1, 2021 (the date of the next monthly status report).

Respectfully submitted,

Signed (electronically) by
Marcia J. Simon
Counsel for the NRC Staff
U.S. Nuclear Regulatory Commission
