Dear Ms. Doell:

The purpose of this letter is to request termination of General Atomics' Mark I (License R-38) and Mark F (License R-67) TRIGA® research reactor licenses following completion of decontamination, decommissioning and final survey activities in accordance with GA's NRC-approved TRIGA Reactor Facility Decommissioning Plan (Ref. 1) and supplemental NRC-approved Final Status Survey Plan (Ref. 2). Herein GA provides information demonstrating that all land areas comprising GA's TRF and all facilities thereon (authorized locations under the jurisdiction of R-38 and R-67) have been decontaminated, as needed, in accordance with criteria set forth in 10 CFR 20 Subpart E.

Should you need additional information concerning the above, please contact me at (858) 455-2809 or by email [michael.grogan@ga.com](mailto:michael.grogan@ga.com), or Mr. Paul Pater at (858) 455-2758 or at [paul.pater@ga.com](mailto:paul.pater@ga.com).

Very truly yours,

A handwritten signature in blue ink, appearing to read "M. Grogan", written over a blue horizontal line.

Michael Grogan, Senior Director  
Licensing, Safety and Nuclear Compliance
