Subject: Acceptance Review for Point Beach
Date: Friday, January 8, 2021 2:02:00 PM

Hello Bill,

I am pleased to tell you that the NRC has completed our acceptance review of the Point Beach SLR application and have determined it is acceptable for docketing. You will receive the formal letter notifying you of that in the near future, and we will now begin our in-depth technical review. As part of that, we would appreciate it if NextEra could open the ePortal for our staff to access.

I look forward to working with you as the review progresses. Please feel free to contact me at any time.

Regards,
