SUBJECT: PILGRIM NUCLEAR POWER STATION SECURITY INSPECTION PLAN

Dear Ms. Cowan:

The enclosed inspection plan lists the security inspections scheduled through December 31, 2022. The inspection plan is provided to allow for the resolution of any scheduling conflicts and personnel availability issues well before our inspectors arrive on site.

In accordance with Title 10 of the *Code of Federal Regulations* 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC's Website at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

If circumstances arise which cause us to change the inspection plan, we will contact you to discuss the change as soon as possible. Please contact me at (610) 337-5200 with any questions you may have regarding the inspection plan.

Sincerely,

1/13/2021

X /RA/
