Division of Fuel Management
Office of Nuclear Material Safety and Safeguards (NMSS)
U.S. Nuclear Regulatory Commission
Two White Flint North - Mail Stop T4-B34
11545 Rockville Pike
Rockville, MD 20852-2738

Dear Ms. Garcia-Santos:

In accordance with the Memorandum of Understanding between our agencies, on May 11, 2020, we requested that your office review the Japanese Certificate of Competent Authority J/2009/AF-96 (Rev. 1), dated August 3, 2018, for the GP-01 package and make a recommendation concerning our revalidation of the package for import and export use. By letters dated October 2, 2020 and November 12, 2020 (Docket No. 71-3098 and EPID No. L-2020-LLA-0107), you provided requests for additional information.

Attached is the response to your RAI letters I have received from our applicant, TN Americas LLC. Please note they have included an affidavit designating their letter as containing proprietary information.

If you have any questions or need any additional safety information, please feel free to contact Michael Conroy of my staff at (202) 366-3597 or via email at Michael.Conroy@dot.gov.

Sincerely,

Richard W. Boyle,
Radioactive Materials/ Research & Development
Division of Sciences, Engineering and Research
Office of Hazardous Materials Safety
