License No. 47-05322-02  
Docket No. 03012570  
Control No. 624212

PLEASE CONFIRM RECEIPT OF THIS REQUEST FOR ADDITIONAL INFORMATION BY RETURN EMAIL

Mr. Harrison;

This is in reference to your letter dated December 29, 2020 in which you notified the Nuclear Regulatory Commission of an indirect change of control. In order to continue our review more information is necessary.

1. Your letter states Wheeling Hospital, Inc. ("Wheeling Hospital") and West Virginia University Health System, Inc. d/b/a West Virginia University Health System are parties to a Member Substitution Agreement. Please submit a copy the Member Substitution Agreement.
2. Please provide a diagram illustrating the reporting chain for the Radiation Safety Officer post transaction.
3. Your response to the question regarding records of the safe and effective decommissioning of the facility will be transferred to the transferee or to the NRC, as appropriate was "Not Applicable." Please confirm that records of leak tests and inventories of the sealed sources possessed and used under this license will be retained in accordance with 10 CFR 35.2067(a).

We will continue our review of the change of control of Wheeling Hospital upon receipt of the requested information. Please contact me at (484) 725-5098, or via email at [Robert.gallagher@nrc.gov](mailto:Robert.gallagher@nrc.gov) with any questions.
