The Commission has approved the staff's recommendation to initiate a rulemaking to amend the U.S. Nuclear Regulatory Commission's small business size standards in Title 10 of the Code of Federal Regulations (10 CFR) 2.810 and 10 CFR 171.16(c) to comply with the Small Business Runway Extension Act of 2018 and related Small Business Administration regulations and to reflect inflation adjustments.

The Commission has also approved delegating authority to the Chief Financial Officer (CFO) to sign the proposed and final rules for this rulemaking but has disapproved a permanent delegation of authority to the CFO to initiate and sign rules amending the NRC size standards.
