II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Public Records." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on January 8, 2021 (86 FR 1542).

1. *The title of the information collection:* Part 9 of title 10 of the *Code of Federal*

Regulations (10 CFR), "Public Records."

2. *OMB approval number:* 3150-0043.

3. *Type of submission:* Revision.

4. *The form number if applicable:* NRC Form 509; NRC Form 507.

5. *How often the collection is required or requested:* On occasion.

6. *Who will be required or asked to respond:* FOIA Requesters who have requests that require pre-payment or agree to pay for the processing of their FOIA requests.

7. *The estimated number of annual responses:* 3,803.

8. *The estimated number of annual respondents:* 3,803.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 2,082.

10. *Abstract:* The proposed information collection removes the need for requesters to provide the information they are requesting under FOIA, since it would be duplicative. NRC Form 507 will accompany acknowledgement letters, at which point we are requesting additional information, if necessary, for FOIA requesters to submit proof of identification or third-party release authorizations. Providing NRC Form 509 to a request serves as a notification of the processing fees as it relates to search, review, and duplication. Pursuant to NRC's regulations, 10 CFR 9.40, when fees exceed \$25.00 the requester has the opportunity to re-scope their request. Additionally, in response to the FOIA Improvement Act of 2016, in accordance with 10 CFR 9.39, the revised form notifies the requester that if the agency fails to comply with statutory time limits, the agency cannot charge the requester any fees (except in unusual circumstances). In the event that fees are required, the requester can verify their willingness to pay on this form and must submit payment within ten working days of the

receipt of the form.

Dated: March 23, 2021.
