RESPONSE SHEET

TO: Annette Vietti-Cook, Secretary
FROM: Chairman Hanson
SUBJECT: SECY-21-0006: Request by NextEra Energy Duane Arnold, LLC for Exemptions From Certain Emergency Planning Requirements for the Duane Arnold Energy Center)

Approved Disapproved Abstain Not Participating

COMMENTS: Below Attached None

I thank the staff for its thorough review of NextEra's request for exemptions from certain emergency preparedness (EP) requirements for the Duane Arnold Energy Center site. I find the technical basis for this request to be consistent with the justification provided for previous EP exemptions and in line with the extensive studies conducted on spent fuel pool accident risks. I therefore approve the requested exemptions from certain EP requirements of 10 CFR 50.47(b) and Appendix E to 10 CFR Part 50 for the Duane Arnold Energy Center site.
