RE: Amendment to Radioactive Material  
Licensee: Monongalia County General Hospital  
License #: 47-16259-01  
Docket #: 030-10683  
Mail Control #: 623891

Ms. Elliott:

Regarding the required training for the RSO, AUs, and AMPs relative to the issuance of the license:

- We request that the unit and material be added to the license for calibration, storage and training only until the RSO, AUs and AMPs obtain the requisite training to allow medical use.
- Once that training has been completed, request for another amendment will be issued to authorize medical use.
