Hi Kitty/Ian

Paul came back from the periodic George normally has with our DEDO today saying he was asked to provide a summary kind of document for our discrimination cases. I'm thinking what you hope to finish today Kitty could be the start of what he wants. Also want you to check our latest communication plan (CP) as that might include summary of the below and maybe even possibly the panel EAW (btw maybe next week we will be able to start updating the CP after Tuesday's meeting). The point is reusing what we have versus creating something new along the lines of the following:

TVA Discrimination cases

- What was discriminatory act (DA)
- What reg applies (50.7 and 50.5 for deliberate finding) to the DA
- Enforcement policy options (EPOs) - what SL would we assess based on EM/EP criteria
- Resultant CPs based on EFOs.

When we speak later today lets talk about when you think we can get this done given you are also trying to get ready for meeting Tuesday to follow up on Monday's unfinished caucus business. Ian I'm thinking by afternoon you will be off PEC (don't recall if you told me previously what you versus Gerry were covering).

Paul was hoping in the perfect world if we could get done by Friday. Next option was Monday 9am, and last option was Wed next week. I want to talk this week about it so I can be in over the weekend to do/finish if necessary.

Thanks  
Dave
