Hi Scott,

I just wanted to give you a quick status update. I'm still waiting on a couple of things from Employee Concerns, so it's likely I won't be able to complete the response until early next week. If it looks like it will be any longer than that, we will plan to send an initial response and follow up afterward with whatever the remainder is. Thanks for your patience, and please let me know if you have any questions.

Kind regards,

Chris

TVA External Message. Please use caution when opening.

Chris –

Per our phone conversation, as part of an OI investigation (2-2018-033), I am requesting the following related to former TVA employee Michael W. McBrearty:

All ECP related documents regarding McBrearty located at Sequoyah or TVA Corporate. According to McBrearty, he raised concerns to the site ECP and was not sure if they opened an official ECP investigation but was told they at least evaluated or “looked into” his concerns. He spoke with Inza HAGINS-DYER (sp?)

All HR investigation related documents regarding McBrearty either at site or corporate. According to McBrearty he was interviewed by HR about an inappropriate relationship with another TVA employee. Any documentation related to McBrearty being placed on paid administrative leave pending an investigation in May 2018.

Also, can you provide a copy of CR 1262488

That’s it for now... I am sure more will follow...

Thanks!
