Chris –

I have some follow-up requests to the TVA OGC report.

1. The following ECP/HR reports contained a summary of the findings and closure letters. I need the supporting documents (interview records, intake forms, etc.).

HR report into CONNER and MCBREARTY's alleged relationship  
ECP report NEC-16-00638  
ECP report NEC-17-00410  
ECP report NEC-17-00638

2. How many direct reports does HENDERSON currently have? Since she started in Corporate Nuclear Licensing in September 2015, how many of her direct reports have been on PIPs or were "performance managed?" Also, I need the name of someone in TVA HR that I can interview about this issue.
3. Since September 2015, has anyone else (besides MCBREARTY) filed a concern with ECP and/or HR related to HENDERSON?
4. Are there any documents related to the management decision to place MCBREARTY on administrative leave? I think I have requested this already but can't find the email related to it so I apologize if you already provide the answer.

Thanks!
