Hi Scott,

Thanks for letting me know. On that same note, I talked to David Czufin this morning, and he has also requested representation. I'll add these last two line items to the list of things we're assembling for you. Most are pretty straightforward, but it is easier for me to manage if I gather everything and send it once.

Chris

Chris –

Just spoke with Tony Williams and he requested OGC for his OI interview as well.

Also a few more document requests:

5. I need any documents or information on Erin HENDERSON's complaints to HR/ECP on individuals during her time at TVA.

6. The name and contact information for the HR investigator for the MCBREARTY/CONNER HR investigation from April 2016 (closed in June 17, 2016)

Thanks!

Scott

Chris –

I have some follow-up requests to the TVA OGC report.

1. The following ECP/HR reports contained a summary of the findings and closure letters. I need the supporting documents (interview records, intake forms, etc.).

HR report into CONNER and MCBREARTY's alleged relationship

ECP report NEC-16-00638

ECP report NEC-17-00410

ECP report NEC-17-00638

2. How many direct reports does HENDERSON currently have? Since she started in Corporate Nuclear Licensing in September 2015, how many of her direct reports have been on PIPs or were "performance managed?" Also, I need the name of someone in TVA HR that I can interview about this issue.
3. Since September 2015, has anyone else (besides MCBREARTY) filed a concern with ECP and/or HR related to HENDERSON?
4. Are there any documents related to the management decision to place MCBREARTY on administrative leave? I think I have requested this already but can't find the email related to it so I apologize if you already provide the answer.

Thanks!
