Thanks Dave, SCWE and discrimination are 2 different things, it was clearly articulated by Ian that they did not address this issue in a comprehensive manner. I appreciate the heads up

George

To make sure nobody was out in R2 today given the fast pace of this action, I checked if Scott was in and had received these. I guess it was good I checked cause he wasn't aware if Miller was in (Kowal was out today).

Scott brought up something just wanted to give you awareness of. Apparently when you sent him the writeup Ian/Kitty drafted on CA credit he forwarded it to his deputy RA. The deputy RA asked question something to the effect of why we were not giving them CA credit given our various SCWE inspections had found no issues with work environment. I'll be honest the question wasn't making a lot of sense to me because how was I supposed to give them credit for something not in front of me to consider from their PEC presentations. However, IF the deputy RA still has this question he or the RA could call you.

Scott told me he answered the question by saying something real roughly to the effect "OE's going with what the licensee presented in the PEC or other documents they provided in response to having a PEC, so OE went with what they had received from licensee."

Good luck tomorrow with your briefing of DEDO/EDO.

Dave

(Ian, I complimented him on his suggestions to the CA writeup you used)

Just FYI so you know who I sent these to in RII. I also forwarded the Comm Plan via a separate email.

Attached are the draft EA/IAs for the TVA discrimination cases, and the EN.

As with prior discrimination cases (FPL, SNC), OE is not requesting RII concurrence. If anyone sees any major areas of concern, let me or Mark K. know and we'll highlight to OE, or you can share directly with OE (George, Dave Solorio, Ian Gifford, Kitty Thompson).

Per OE's Comm Plan, they plan to issue the actions about Aug 17.
