Thanks, Kitty.

I recommend we wait to share with George until we have the final version of the Order from OGC (they are reviewing it now). The reason I say that is I don't want to keep going back to George with new versions. I think we would be in a better position to bring the entire package to George (i.e., all letters, NOVs, Order, FRN) with all language consistent and NLOed. Just my two cents.

Thanks,
Ian

Ian and Dave – attached is the FRN for Shea with the revised order. Please read the summary paragraph specifically – most of the rest is boilerplate. I would like to send it to George and OGC on Monday.

Thanks,
k
